# RangeMaster® Shoulder Therapy

Your **SHOULDER REHAB TOOLS** Partner

Trusted by more than

# 2 MILLION SHOULDERS

RangeMaster Shoulder Therapy was started by a Physical Therapist who saw a need in the medical community for better tools to help patients in recovery.

At RangeMaster we truly believe in the products we create. As a small business, we hold ourselves to a high standard and constantly push ourselves to invent and develop products to meet your needs.

We love to get people back to happy, healthy shoulders.

...And Beyond!
